# Transitioning

- Players or teams can transition to County league starting at Spring U8 or travel leagues at age U9.
- Travel teams often start to prepare in Rec juniors by age U7.
- County league play is developmental/semi-competitive and involves local travel in AA county. ASA does not consider this “travel”
- Generally, ASA county and travel coaches determine rosters. Travel players are selected by ability and effort for the play level.
- Teams often seek players during June/July and Jan/Feb. Contact registrar@arundelsoccer.com for help if interested.
- New teams form each season.
